Job Title/Role:

Have you taken any version of the Recreation for Mental Health training in the past? If you haven't, you will need to take it before the trainer training. It is a half day workshop and we can arrange a training if need be.

Please list your experiences with public speaking, event hosting, leading trainings or facilitating discussions, or any other experience that you feel prepares you in some way to be a trainer of this workshop.

Please explain your interest in becoming a trainer of this workshop.

20-50km

50-100km

Anywhere in the province

How often do you anticipate being able to offer training? Is this something you can get time off from your job to do, or do under the umbrella of your job?

Please explain the contexts in your work that you anticipate being able to deliver this training. For example, do you work in an organization where you could train summer staff, frontline staff or other colleagues?

Please list two references who can speak to your answers above.
